2024 International Association for Court Administration Conference

Building Trust in the Judiciary

State Courts, Singapore

The IACA Conference is a signature event for judges and senior court administrators all over the world to exchange insights and perspectives on current developments and best practices in judicial and court administration.

This year's conference theme will focus on the following areas:

- Disinformation and Impact on Trust in the Judiciary

- Access to Justice (A2J) and Impact on Trust in the Judiciary

- Navigating Artificial Intelligence (AI) in the Justice System

- A2J Central to Court Leadership and the Professionalism of Court Administrators

- Excellent Courts in the Administration of Justice
