

Court Safety and Security Planning in Ukraine

March 14, 2023

9:00 – 11:30 am EDT / 15:00 – 17:30 Kyiv time

We are glad to invite you to the online conference on Court Safety and Security Planning in Ukraine organized by the State Judicial Administration of Ukraine together with the International Association of Judicial Administration with the support of the EU Project "Pravo-Justice" and USAID Justice for All Activity.

The event will encourage discussion on the consequences of the armed aggression of the Russian Federation in the court buildings, premises, and logistics of Ukraine. During the conference the emergency, mobilization and court evacuation measures regularly taken will also be addressed, including those devoted to ensuring information, cyber security, and e-services.
