INTERNATIONAL ASSOCIATION FOR COURT ADMINISTRATION

The International Association for Court Administration (IACA) was founded in 2004 and legally incorporated in 2005.

Mission

IACA's mission is to promote professional court administration and management in emerging democracies and other countries pursuing the rule of law; to sponsor international conferences, forums and education and training programs on court administration and management; and to serve as a resource for judges, court administrators and managers, and other government officials in search of ways in which to evaluate and improve court and justice systems.

IACA Governance

The need to promote effective court management and administration and to cultivate the profession of court administration in the international arena has never been greater.

IACA's leaders have crafted an association that provides a variety of resource materials and educational programs and fosters collegiality and forums for the international exchange of experiences and best practices.

IACA also complements and reinforces efforts by government and non-government organizations to foster justice sector capacity building and judicial reform. IACA plans and conducts international conferences and publishes the International Journal of Court Administration on a semiannual basis.

IACA's Goals & Purposes

- Promote effective court administration and management;
- Develop and make available practical resources in court system management and administration;
- Recruit association members from countries throughout the world united in their efforts to improve their court;
- Sponsor international programs to prepare and train court administrators;
- Research court systems world-wide to foster international understanding; and
- Provide resources for judges, court managers, and others to evaluate and improve their court and justice systems.
